Current Situation

Closures for Forest Roads are still in affect. The Temporary Flight Restriction will be released as of Friday, August 15, 2014 8:00 pm. Crews are re-enforcing hand line and continuing to utilize Minimal Impact Suppression Tactics (MIST) in the Thousand Lakes Wilderness where control lines have proven challenging. Fire Suppression Repair Teams are actively engaged working around the fire perimeter and affected areas. Demobilization of resources continues, allowing them to be available for other incidents. Continue to watch for slow moving firefighting equipment on the roadway in and around the fire area. "Wildfire is coming, are you ready?" Take action immediately when wildfire strikes, visit www.readyforwildfire.org and GO, when asked to evacuate.
